TravelCanada.to is a directory of Canadian Outdoor Adventure Operators who specialize in outdoor adventure vacations like - fishing, hunting, canoeing, horseback riding, white water rafting, camping and hiking to name a few. SelectCom Inc. is a 100% Canadian, privately held company founded in 1992. Since our inception, SelectCom has grown to become one of Canada's largest providers of integrated telecommunications solutions. SelectCom currently has offices in Ottawa, Montreal, Toronto and London, Ont.

SelectCom offers a suite of superior products, services & solutions at highly competitive rates accompanied with the drive to provide an exceptional level of bilingual customer care. We specialize in customized state-of-the-art billing network solutions by assessing customers existing and future LAN networks, long distance calling patterns and any other specific telecom needs they require. SelectCom designs a unique service / billing platform which will provide our national customers with the opportunity to concentrate on their specific business goals. SelectCom provides all future and existing Canadian business & residential customers with a one-stop telecommunications solution.
